Greetings Cousins,

Thank God for a wonderful Christmas and New Year's holiday. Here's hoping that everyone had a rewarding and enjoyable break. In six short months, we celebrate our 50<sup>th</sup> Family Reunion in the Nation's Capital of Washington, D.C. Have you made your preliminary plans yet?

The D.C. chapter is moving forward with a wonderful program for your enjoyment, make sure you contact your cousins young and old, you don't want to miss this one. Hotel registration and other information of importance will be forthcoming this month. Please consult the Cousins Website for updates at <http://www.nationalcousinsreunion.org> and the National Cousins Family Reunion Facebook page.

There is also the possibility that we may have a few new chapters in attendance at this year's reunion.

The Cousins National Scholarship Fund is undergoing a restructuring and we are asking that all family members who can support us in this endeavor to please give a donation to the fund. The fund is currently set up to receive donations from "PayPal" and all monies will be used to support and assist our youth in furthering their educational goals and aspirations. It is our duty as family members, to support our young scholars and leaders of tomorrow. All Scholarship applicants must pay close attention to the new requirements and hopefully, we will have a record number of recipients this year.

***Wyvetra Crawford***  
***National Youth***  
***Coordinator***

It's going to be a "classy" reunion, make sure you don't miss it. See you in D.C.

Thank you for your support.

"Let's Stay Together"

Regards,

Othniel
